COMMERCIAL REPORT

BY

HER MAJESTY'S AGENT AND CONSUL-GENERAL

IN

SIAM

FOR THE YEAR

1881.

Presented to both Houses of Parliament by Command of Her Majesty.
1882.

LONDON:
PRINTED BY HARRISON AND SONS.
1882.

Commercial Report by Her Majesty's Agent and Consul-General in Siam for the Year 1881.

THE Trade Returns for the year 1881 are substantially identical with those of the preceding year; nor have the general conditions either of agriculture, industry, or commerce shown any tendency to advance or improvement, nor has any work of public utility been effected throughout the year.

The only distinguishing circumstance of the twelvemonth was a violent epidemic of cholera during the latter part of the summer. It commenced up-country, but travelling southward, left no part of the kingdom unvisited; while at Bangkok itself the deaths, European or native, averaged for a considerable period a hundred a day. On the setting in of the autumn rains the violence of the epidemic subsided, but the disease has remained endemic, though in a sporadic form, ever since.

(Signed) W. GIFFORD PALGRAVE.
