LANDS.

"THE LAND ENACTMENT, 1903."

TABLE I.

PREMIA AND RENTS.

Note.—The rates of premium and quit-rent set out in this table Land Rules, will ordinarily be charged upon all lands alienated after the coming into force of the Land Rules, 1904; provided that nothing herein contained shall preclude the Government from at any time and without notice given altering these rates by rule under the Enactment, or shall preclude the Resident from granting, with the approval of the Resident-General, special rates in cases where the interests of the State may appear to him to so require, or shall preclude the Resident from causing any State lands whatsoever to be alienated by auction.

A.—Town and VILLAGE LOTS AND LANDS.

(i) The premium payable on town and village lots and lands will Premium ordinarily be the price paid by the successful bidder at auction. The reserve price on lots and lands to be sold by auction and the premium to be paid in the case of lots and lands not sold by auction will be fixed by the Resident.

2 00

(ii) The annual rent on town and village lots and lands will be Annual rent. one per cent. of the premium thereon, with the following minima:

Annual rent.

The annual rent on agricultural lands exceeding ten acres in area will be such as may be fixed by the Resident, with a minimum of \$1 per acre for six years, and thereafter for first quality land \$4 per acre, for second quality \$3 per acre.*

- † The Resident has fixed the annual rent to be paid in respect of agricultural lands exceeding ten acres in area as follows:
 - (a) For first-class land—

One dollar per acre per annum for the first six years. Thereafter \$4 per acre per annum.

(b) For second-class land—

One dollar per acre per annum for the first six years. Thereafter \$3 per acre per annum.

The time for enhancement of rent will be computed from the 1st day of January preceding the date of entry into possession or of completion of the instrument of title, whichever event shall first occur, in cases in which such event takes place before the 1st day of July, and from the 1st day of January following such first event in cases in which such event takes place after the 30th day of June in any year.

† Provided that the owner of any agricultural land, subject to rent at either of the aforesaid enhanced rates, may claim annually, before the 1st day of April, a rebate of rent according to the rates below specified on so much of the said land as he shall prove to the satisfaction of the Resident to have been brought under bonâ fide cultivation with coconuts, fruit trees or rice.

The rebate to be allowed shall be such as to reduce the rent for the year to the following rates:

- (a) On land cultivated with coconuts ... \$2 per acre
- (b) , , fruit trees or rice ... 1 ,

In the case of land cultivated with more than one product the decision of the Resident, as to the rebate, if any, to be given, shall be final

Such land will ordinarily be rated as cultivated with the product for which the highest rent is prescribed.

Such rebate as may be allowed in respect of any land will continue only so long as the land is kept under bonû fide cultivation, to the satisfaction of the Resident, with that product on account of which the rebate is given.

The Resident may from time to time prescribe the manner in which application for rebate may be made, and in which proof of cultivation shall be furnished.

† The above provisions will apply to lands alienated since the 19th day of January, 1906.

lang lands.

(ii) Land overgrown with lalang may be alienated without premium, the annual rent to be at the rate of \$1 for every 100 acres or part thereof for the first seven years, and thereafter at \$1 per acre.

Proviso: Surveys for which fees have been deposited at rates previously in force may be carried out at such previous rates.

In calculating survey fees an additional part of an acre shall be reckoned as an additional acre.

In addition to the prescribed survey fees the actual cost of each boundary mark inserted shall also be paid.

In further addition to the prescribed survey fees the Government, in cases where mining lands lie at a considerable distance from any surveyed lands, reserves the right to charge the whole or part of the cost of the connections necessary to fix the mining lands in their correct position on the district map at a rate not exceeding 80 cents per chain of traverse run.

In case of surveys which have been attended by special difficulty or have involved special expense, the Resident may, in his discretion, direct that, notwithstanding the fact that fees in accordance with the scale prescribed in Table III have been deposited, the actual cost of such survey shall be payable by the applicant, and may, in the first instance, require the applicant to deposit a sum sufficient to cover the estimated cost of such survey.

1 Gold, other than gold obtained by any cyanide process, 24 per cent. of the value of the export, calculated at the rate of £4 sterling per ounce, subject to a rebate of the amount, if any, whereby the duty so paid on any gold exceeds 24 per cent. of the value of the said gold as declared in a written certificate from such bank or other authority as the Resident may approve. Exemption: Gold won by persons who have paid a commutation fee in lieu of export duty under section 126 (i) of "The Mining Enactment, 1904," or under any similar provision of law. Gold obtained by any cyanide process, 2½ per cent. ad valorem. For the purpose of preliminary payment of duty the value of such gold shall be calculated at the rate of £2 sterling per ounce, subject to subsequent adjustment by refund to the exporter or by additional payment to the Government, as the case may be, of the amount, if any, whereby the duty so paid on any gold exceeds or falls short of 2½ per cent, of the value thereof evidenced in such manner as the Resident may approve.

2 For weighing tin, tin ore, or wolfrain, a fee of 2 cents per pikul is charged in Perak and Selangor; there is no charge in Negri Sembilan

3 For each rise of \$1 per pikul in the price of tin above \$32 and up to \$38 per pikul the export duty is increased 25 cents per bhara, and when above \$38 per pikul the duty is increased by 50 cents per bhara for each rise in price of \$1 per pikul.

4 Perak, Selangor and Negri Sembilan: the duty is reckoned on the price telegraphed daily from Singapore; Pahang: the duty is reckoned on the latest ascertained market price in Singapore.

6 Tin are, unless exported under such guarantee as the Resident may require that it will be smelted in the Colony of the Straits Settlements or in the United Kingdom, pays duty as above and an additional duty of \$30 per pikul. 5 Perak: Tin and tin ore produced in Upper Perak $\frac{3}{8}$ of the current rate, provided the duty be paid at Grit.

Note.—In the case of all articles, except tin and tin ore, in respect of which export duty is assessed on an ad valorem basis, the value of the article will be taken at a rate to be fixed from time to time by the Government, which rate will be published in the Gazette.

Note.—Dutiable articles on which export duty has been paid in another State of the Federated Malay States shall not be liable to export duty, provided that they shall not be carried through the State otherwise than in accordance with such Rules as the Resident, with the approval of the Resident-General, may from time to time make under "The Customs Regulation Enactment, 1907," in such behalf. Note.—In cases where the year's sugar crop is sold by contract the duty may be calculated on the contract price.

In all States the following Rule has been made:—Dutiable articles on which duty has been paid in another State at a rate lower than that in force in the State shall be liable to export duty according to the rate prevailing for the time being in the State, if carried through the territory of the State otherwise than in receptacles closed and sealed to the satisfaction of the Commissioner and under such supervision at the expense of the consignor as the Commissioner may direct, or if handled during transit save in the presence of the proper Officer of Customs.

SPECIAL CLASS RATES.

- (a) Horses, ponies, mules or donkeys, in horse boxes, 15 cents each per mile; minimum charge, including syce, \$3.
- (b) Horses, ponies, mules, donkeys or cattle, in cattle trucks, at owner's risk only, 8 cents each per mile; calves 4 cents each per mile; minimum charge per animal, including syce or attendant travelling in the truck, \$1. It will be necessary for the syce or attendant to obtain a proper pass before entering the truck.
 - Exception: (i) The rate for cattle in cattle trucks, at owner's risk, from stations in Province Wellesley and Krian District is 5 cents per head per mile; minimum charge per animal, including attendant travelling in the truck, \$1.
 - (ii) Horses, ponies, mules or donkeys will only be carried at owner's risk by Railway launches between Penang and Prai. The charge for conveyance between Penang and Prai is \$2 each, including syce.
- (c) Goats, pigs and sheep, 1 cent each per mile, with a minimum charge of 15 cents per head.
- (d) Dogs on chains, cats, and other small domestic animals, in crates, cages or baskets, $\frac{1}{2}$ cent each per mile, with a minimum charge of 20 cents.
- (e) Elephants, 20 cents per mile, each; minimum charge \$3 each.
 - Elephants' calves, 10 cents per mile, each; minimum charge \$2 each.
 - Alligators, bears, hyenas, panthers, tigers, or other similar animals, 10 cents per mile, each; minimum charge \$2 each.
 - Monkeys, $\frac{1}{2}$ cent per mile, each; minimum charge 20 cents each.
 - Birds and small animals in cages not otherwise provided for, parcels rate.
 - Snakes in baskets or cages, parcels rate.
 - All other animals will only be accepted by special arrangement with the Traffic Manager or District Traffic Superintendent, and the Railway Administration reserves the right of requiring 24 hours' notice before receiving any such animal for transport.
- (f) Motor cars, carriages and carts on wheels, 10 cents each per mile; minimum charge \$2.
- Note.—(i) Motor cars exceeding 7 feet 4 inches in height cannot be dealt with at Railway Pier in Penang. Any motor car exceeding this height must have the canopy removed by owner before being accepted for transport to or from Penang.
- (ii) The charge for carriage of a motor car does not include freight on drums of petrol, etc., or on spare tyres.

- (iii) No petrol, benzine or gasoline, except that which is contained in the reservoir of the car, and no spare tyres, may be carried in the truck on which the car is loaded. All such petrol, benzine or gasoline must be handed in separately to the Station Master, properly secured in a screw-stoppered drum or can.
- (iv) The Station Master will arrange to forward such petrol, benzine or gasoline, and also spare tyre, in personal charge of Guard by the same train as the motor car travels by. A separate charge at the authorised rates will be made for conveyance of this petrol, benzine or gasoline, and also for the spare tyre.
- (v) The valve on pipe from petrol tank to engine of car must be closed before a motor car is loaded on truck.
 - (g) Corpses in coffins, 50 cents each per mile; minimum charge \$5.
 - (h) Twenty-four hours' notice in writing must be given to the Traffic Manager or District Traffic Superintendent before dynamite, gun-cotton, gunpowder and other explosives, and consignments of gasoline, petrol, benzine, motor spirit or other highly inflammable spirits in quantities exceeding 300 gallons, will be accepted for transport by the Railway.
 - (i) A rebate of 25 per cent. on the haulage charge subject to a minimum haulage charge of \$2 per truck load, will be given on all single consignments of 6th class goods if carried in quantities of 240 pikuls or over, or on monthly totals exceeding 480 pikuls, provided that these quantities are forwarded between any two given stations.
 - (j) These articles may, at the option of the Railway Administration, be charged at the truck rate of 4 cents per ton per mile, based on the carrying capacity of the truck; minimum charge \$2 per truck, exclusive of terminal and wharfage charges.
 - (k) When two or more four-wheeled trucks are required for the conveyance of bulky articles, which cannot be carried in one truck, the charge will be 4 cents per ton per mile, based on the carrying capacity of the truck for each fourwheeled truck used, with a minimum charge of \$2 per truck; exclusive of terminal and wharfage charges. One bogie truck is to be calculated as two four-wheeled trucks.
 - (1) Attention is directed to section 43 of "The Railways Enactment, 1903," (Federated Malay States), and section 43 of Straits Settlements Ordinance No. IV. of 1905.
 - (m) The Railway Department will not undertake the transport of engines, machinery, ironwork, carriages, timber or other packages which exceed the maximum dimensions of 9 feet in width, 7 feet 6 inches in height or a maximum weight of 20 tons.
 - (n) TERMINAL CHARGES-
 - Terminal charges include all services performed at terminal stations (excepting wharfage as per clause (q) such as

- loading, unloading, checking, weighing, invoicing and booking, including use of Railway premises and sidings, and marshalling on trains.
- (ii) For every pikul of goods carried a charge of 2 cents per pikul will be made for terminal charges whether the loading and unloading be performed by the Railway Administration or not.
- (iii) In the case of goods carried by the truck a charge of 2 cents per pikul calculated on the marked carrying capacity of the truck will be made to cover terminal charges.
- (iv) Senders or consignees may be allowed to load or unload their own goods, in which case a reduction, equivalent to the service performed, will be allowed.
- (v) Pigs will be charged 2 cents for each animal.

(o) WAREHOUSE RENT AND STORAGE-

- (i) Warehouse Rent.—All goods, with the exceptions noted below, left on the Railway premises above 48 hours after their arrival, either for the convenience or by the desire or neglect of the consignors or consignees, will be at the owner's risk and will be subject to a rent charge of 2 cents per pikul per diem, exclusive of Sundays and Christmas Day, if unloaded in the warehouse, or 1 cent per pikul per diem if unloaded in the yard.
- (ii) A charge of ½ a cent per pikul per diem will be charged on all goods stacked on the Railway ground for the convenience of owners if not loaded and forwarded by Railway within six days.
- (iii) Exceptions: Petroleum, kerosene, paraffin, rock oil, Rangoon oil, Burmah oil, petrol, gasoline, benzol, benzoline, benzine, naphtha, motor car spirit or any other such dangerous and inflammable oils will be subject to a rent charge of 50 cents per pikul per diem, exclusive of Sundays and Christmas Day, after 48 hours' free storage.
- (iv) A charge of 50 cents per diem, exclusive of Sundays and Christmas Day, will be made for storage of carriages on wheels, and motor cars on wheels, on Railway premises for any period exceeding 48 hours after their arrival.

(p) DEMURRAGE—

All wagons which are not loaded or unloaded within 24 hours after their arrival will be liable to a demurrage charge of \$2 per diem, exclusive of Sunday and Christmas Day.

Note.—No less charge than for a whole day will be made for warehouse rent, storage and demurrage, and no exception will be made for Government holidays.

(q) WHARFAGE CHARGES-

Except when special arrangements covering these charges have been made with the importing or exporting vessel, the following charges will be made for wharfage, landing and shipping accommodation:

For jinrikishas, perambulators, bicycles, tricycles and other small vehicles on wheels, each	5 a	ents
and other small venicles on wheels, each	3 (CHUS
" other vehicles on wheels, each	10	"
" pig, calf, sheep, or goat, each	5	,,
" each head of cattle	10	,,
" " horse, pony, mule, ass	20	,,
" " elephant or other large wild animal …	50 (cents
" loose furniture, per piece	1	,,
,, bricks, pottery, or other loose articles, per 100	10	,,
,, any single heavy and bulky article, exceeding one ton, which requires the use of the		
Railway crane or other machinery, per pikul	5	,,
" all other goods, per pikul	2	,,
" cattle at Port Swettenham not forwarded by		
rail, per head	50	,,

Note.—(i) If any of the above, with the exception of cattle, are not carried by the Railway, or if landing or shipping is done by the sender or consignee, the charge will be one half of the above rates.

(r) STEAM TUG AND TONGKANG CHARGES-

- (i) The charge for use of Railway steam tug at Port Swettenham outside harbour limits will be \$30 per diem. No less charge than for a whole day will be made.
- (ii) The charge for use of Railway tongkangs at Port Swettenham outside harbour limits will be \$7.50 per loaded trip.
- (iii) The charge for use of Railway tongkangs at Port Swettenham within harbour limits will be \$5 per loaded trip, including towage by steam tug. This charge will not be made to ocean-going steamers, which by reason of their deep draught cannot get alongside a Railway wharf to discharge general cargo.
- (iv) The charge for use of Railway tongkangs at Port Swettenham, for purpose of discharging coolies from any steamer lying in the stream within harbour limits, will be \$5 per loaded trip, including towage by steam tug.
- (v) The charge for use of Railway tongkang at Telok Anson will be \$10 per day.
- (s) The minimum charge for any single consignment will be 20 cents.

Except that in the case of fresh fruit, fish, meat, vegetables, ice, bread or milk, the charge will be 10 cents.

(t) The minimum charge for a truck load of goods is \$2 per truck, exclusive of terminal and wharfage charges, irrespective of whether charged at the truck or class rate.

(u) Insurance-

The rate of insurance on animals or articles mentioned in the schedule hereto will be 5 per cent. on the difference between the amount of the Railway Administration's liability and the declared value.

The Railway Administration's liability upon the animals or articles enumerated in the schedule below will not exceed \$100, nor will the liability attach unless they are declared at the time of booking or consigning the same.

THE SCHEDULE.
